INTRODUCTION

The McCONACHIE Family Tree has been created as a vertical chart.
The lines on the left side of each page represent the generations.
The relevant ancestors are listed at the top of each page.
The names of children all touch the line coming directly from the name of their MCKONACHIE parent.

Women are indexed under their maiden/family name only.
Where maiden/family names are not known, married names are used and these entries are indicated thus *.
Where two or more people have the same name, the year of birth is given.
If further identification is required, the line from which they come is indicated, such as (J) for John.

Alexander McKonachie & Helen Forsyth had two children:

Alexander McConachie (*his name was changed from McKonachie*) & a younger brother Robert that only lived two years.

This family tree commences with Alexander McConachie. He and his first wife had two sons & three daughters. He and his second wife had a son.

YOB - stands for YEAR OF BIRTH
YOM or YOP - Year of being Married or Partnered living together
