# INTRODUCTION

The McConaghy Family Tree has been created as a vertical chart.

The lines on the left side of each page represent the generations.

The relevant ancestors are listed at the top of each page.

The names of children all touch the line coming directly from the name of their McConaghy parent.

Women are indexed under their maiden/family name only.

Where maiden/family names are not known, married names are used and these entries are indicated thus \*.

Where two or more people have the same name, the year of birth is given.

If further identification is required, the line from which they come is indicated, such as (J) for John.

**YOB** - stands for **YEAR OF BIRTH**      **YOM or YOP** - **Year of being Married or Partnered** living together

**b Where / Unknown** - **Born Where OR Birth Place**      **m or p Where / Unknown** - **Married or Partnered Where /Unknown**

Anything in **Highlighted** needs to be amended to reflect **Surname / Christian Name, etc.**      **MEMBERS 240**
