and

Mary Elizabeth Rankin

Revised – 24th January 2026 - **V22**

INTRODUCTION

The McConaughey Family Tree has been created as a vertical chart.

The lines on the left side of each page represent the generations.

The relevant ancestors are listed at the top of each page.

The names of children all touch the line coming directly from the name of their McConaughey parent.

Women are indexed under their maiden/family name only.

Where maiden/family names are not known, married names are used and these entries are indicated thus *.

Where two or more people have the same name, the year of birth is given.

If further identification is required, the line from which they come is indicated, such as (J) for John.

James W McConaughey born 1815 in Ireland & he married Mary Elizabeth Rankin from Scotland.

b Where / Unknown - Born Where OR Birth Place m or p **Where / Unknown** - Married or Partnered **Where /Unknown**
